SHOTOKAN RYU KASE HA INSTRUCTORS ACADEMY

SRKHIA Newsletter 5/04

Dear karateka,

This month's Newsletter will include only information on 2004 membership situation and information on Academy's Gashuku, to be held in June. Certain problems with my computer did not allow me proper drafting of the Newsletter. Our Budo theme part, on the Dojo Guide, will continue next month.

Membership status:

Subscription for membership for 2004 closed on 1st April 2004. You will find attached the updated members list. Those characterized as "member" are those who paid their subscription on time; "dormant" means that they did not paid so they stay in a dormant status, not being allowed to participate in Academy's activities, including Gashuku; lastly those without a characterization are those who have not paid for a second consecutive time, that meaning they have not interested in the Academy and are not considered members any more. If you have any objection on your status, please ask Alan Armstrong, alan@armstrong-associates.fsnet.co.uk, who keeps the bank's records.
